ADDRESS

Blk 23 Lot 23 Mahogany s.t BF
El Grande Soldiers hills 4
Molino 6 Bacoar Cavite

PROFILE

My Computer Science background is focused on Python and Django, where I developed hands-on skills in web application scalability, back-end development, and efficient coding practices. I always update on latest django documentation and also from the community blogs

EXPERIENCE

Backend- Django

I used for batteries included for web development which gives a lot of built-in functionalities

Python

I used for Game Developement, Machine learning and Web Development

Front-end Frameworks

- HTLM, CSS, Javascript, Tailwind CSS and SVELTE

Other Development Tools

Docker - For Application and Containerization and local development,
GIT - For version control and continoues integration

EDUCATION

ICavite State University Bacoar in Bachelor of Science in Computer Science
